

## SEO

These checks ensure that your page is optimized for search engine results ranking. There are additional factors Lighthouse does not check that may affect your search ranking. [Learn more.](#)

**Content Best Practices** — Format your HTML in a way that enables crawlers to better understand your app's content.

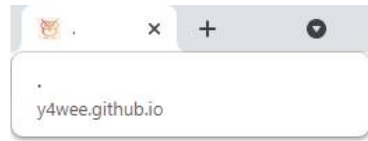

▲ Document does not have a meta description *Description text is empty.*

Meta descriptions may be included in search results to concisely summarize page content. [Learn more.](#)

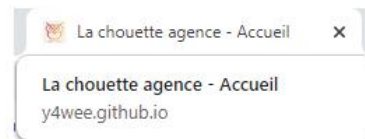

## ajout d'une meta description

● Document has a meta description

Meta descriptions may be included in search results to concisely summarize page content. [Learn more.](#)
